

SAFE INJECTION CONNECTION TRAINING

RP2752

OBJECTIVES

1. Describe the impacts and trends relating to injection-related notifications, infections and outbreaks in the U.S.
2. List the settings in which hepatitis B and hepatitis C outbreaks are most likely to occur as a result of unsafe injection practices
3. Describe the investigation and outcomes of two North Carolina outbreaks
4. List the 5 most common unsafe injection practices leading to outbreaks
5. List the 3 simple rules for safe injection practices
6. List the 3 simple rules for safe diabetes care
7. Interpret materials and information provided for use in future trainings
8. Discuss FAQs regarding safe injection practices and safe diabetes care
9. Demonstrate sufficient knowledge of safe injection practices to serve as a trainer on the topic by successfully passing a written exam at the conclusion of the course

Origination Date: 10/17/2016

Expiration Date: 10/17/2018

ACCREDITATION STATEMENTS:

CNE: The Centers for Disease Control and Prevention is accredited as a provider of Continuing Nursing Education by the American Nurses Credentialing Center's Commission on Accreditation.

This activity provides **3.5** contact hours.

CEU: The Centers for Disease Control and Prevention is authorized by IACET to offer **0.4** CEU's for this program.

CECH: Sponsored by the Centers for Disease Control and Prevention, a designated provider of continuing education contact hours (CECH) in health education by the National Commission for Health Education Credentialing, Inc. This program is designated for Certified Health Education Specialists (CHES) and/or Master Certified Health Education Specialists (MCHES) to receive up to **3.5** total Category I continuing

education contact hours. Maximum advanced level continuing education contact hours available are **3.5**. CDC provider number **98614**.

For Certified Public Health Professionals (CPH)

The Centers for Disease Control and Prevention is a pre-approved provider of Certified in Public Health (CPH) recertification credits and is authorized to offer **4 CPH** recertification credits for this program.

CDC is an approved provider of CPH Recertification Credits by the National Board of Public Health Examiners. Effective October 1, 2013, the National Board of Public Health Examiners (NBPHE) accepts continuing education units (CEU) for CPH recertification credits from CDC. Please select CEU as your choice for continuing education when registering for a course on TCEOnline. Learners seeking CPH should use the guidelines provided by the NBPHE for calculating recertification credits. For assistance please contact NBPHE at <http://www.NBPHE.org>.

DISCLOSURE: In compliance with continuing education requirements, all presenters must disclose any financial or other associations with the manufacturers of commercial products, suppliers of commercial services, or commercial supporters as well as any use of unlabeled product(s) or product(s) under investigational use.

CDC, our planners, our presenters, and their spouses/partners wish to disclose they have no financial interests or other relationships with the manufacturers of commercial products, suppliers of commercial services, or commercial supporters. Planners have reviewed content to ensure there is no bias. Presentations will not include any discussion of the unlabeled use of a product or a product under investigational use. CDC did not accept commercial support for this continuing education activity.

The Centers for Disease Control and Prevention, NC Division of Public Health, and NC Statewide Program for Infection Control and Epidemiology (SPICE) are jointly providing the CNE for this activity.

CDC did not accept commercial support for this activity.

To receive continuing education (CE):

Complete the Evaluation at www.cdc.gov/TCEOnline

Pass the posttest at 80% at www.cdc.gov/TCEOnline

FEES: There are no fees for CE.
